Target Audience: This CME activity has been planned for orthopaedic surgeons, orthopaedic residents, primary care, health care providers, physical therapists, chiropractors and pain management.

PURPOSE STATEMENT
This symposium is planned for orthopaedic surgeons and other related healthcare professionals. It is designed to introduce, review and critically evaluate the current evaluation and management of commonly encountered fractures and musculoskeletal injuries.

ACCREDITATION STATEMENT
The University of California, Irvine School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

DESIGNATION STATEMENT
The University of California, Irvine School of Medicine designates this live activity for a maximum of 6 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is in compliance with California Assembly Bill 1195 which requires continuing medical education activities with patient care components to include curriculum in the subjects of cultural and linguistic competency. For specific information regarding Bill 1195 and definitions of cultural and linguistic competency, please visit the CME web site at www.cme.uci.edu.

DISCLOSURE
It is the policy of the University of California, Irvine School of Medicine that the faculty and sponsor discloses real or apparent conflict of interest relating to the topics of this educational activity and also disclose discussion of unlabelled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosure will be made in writing in the activity handout materials.

LEARNING OBJECTIVES
1. Recognize musculoskeletal injuries that would benefit from surgical intervention.
2. Evaluate patients with musculoskeletal injuries appropriately.
3. Identify patients that would benefit from early subspecialist referral.
Course Co-Chairs
James R. Learned, MD and John A. Scolaro, MD, MA

Distinguished Visiting Professor
James Robert Ficke, M.D.
Robert A. Robinson Professor of Orthopaedic Surgery
Director, Department of Orthopaedic Surgery
Orthopaedist-in-Chief, The Johns Hopkins Hospital

Visiting Faculty
James Schnaser, MD
Adult Hip & Knee Joint Replacement & Reconstruction
Department of Orthopedic Surgery
Desert Orthopedic Center

UC Irvine Faculty
Ranjan Gupta, MD
Professor
Department of Orthopaedic Surgery
University of California, Irvine

Andrew Hsu, MD
Assistant Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

Douglas Kiester, MD
Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

James Learned, MD
Assistant Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

William McMaster, MD
Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

Gregory Rafijah, MD
Associate Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

John Scolaro, MD
Associate Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

Sebastian Schubl, MD
Assistant Clinical Professor
Department of Surgery

David So, MD
Assistant Clinical Professor
Department of Orthopaedic Surgery
University of California, Irvine

Anthony Ding, MD
Hand Surgery Fellow
Department of Orthopaedic Surgery
University of California, Irvine

Benjamin Reymer, PT
Physical Therapist
Department of Physical Therapy
University of California, Irvine
Welcome and Introduction of 2018 Visiting Professor

Session 1 Moderator: James Learned, MD

James Learned, MD
- Initial Evaluation and Management .................................................. 8:00 - 8:10 AM
Sebastian Schubl, MD
- Early Evaluation and Management of the Traumatized Patient ........ 8:10 - 8:25 AM
James Learned, MD
- Orthopaedic Trauma ..................................................................... 8:25 – 8:40 AM
Douglas Kiester, MD
- Spine Presentation ......................................................................... 8:40 – 8:55 AM
Anthony Ding, MD
- Prolonged Opioid Use as a Predictor of Total Joint Failure .......... 8:55 – 9:10 AM
Questions from the Audience ............................................................. 9:10 – 9:30 AM

Session 2 Moderator: James Learned, MD

James Learned, MD
- Principles of Acute Fixation and Repair ........................................ 9:30 – 9:35 AM
John Scolaro, MD
- Advances in Periarticular Fracture Fixation ..................................... 9:35 – 9:50 AM
Gregory Rafijah, MD
- Bridge Plating of Distal Radius Fractures ......................................... 9:50 – 10:05 AM
Andrew Hsu, MD
- Flexible Fixation of the Syndesmosis ................................................ 10:05 – 10:20 AM
Benjamin Reymer, PT
- Physical Therapy After Trauma ...................................................... 10:20 – 10:35 AM
Questions from the Audience ............................................................. 10:35 – 10:45 AM
Break .................................................................................................. 10:45 – 10:55 AM
James Ficke, MD
- Keynote Speech .............................................................................. 10:55 – 11:55 AM

Session 3 Moderator: William McMaster, MD

William McMaster, MD
- Reconstruction .................................................................................. 12:55 – 1:00 PM
David So, MD
- Hip Reconstruction ........................................................................... 1:00 – 1:15 PM
Erik Schnaser, MD
- Knee Reconstruction ........................................................................ 1:15 – 1:30 PM
Andrew Hsu, MD
- The Spine Hip Relationship ............................................................ 1:30 – 1:45 PM
Ranjit Gupta, MD
- Shoulder Arthroplasty for Trauma ..................................................... 1:45 – 2:00 PM
Questions from the Audience ............................................................. 2:00 – 2:15 PM
Break .................................................................................................. 2:15 – 2:30 PM

Session 4 Moderator: James Learned, MD

James Learned, MD
- Fixation vs Acute Reconstruction .................................................. 2:30 – 2:35 PM
John Scolaro, MD
- Fixation .............................................................................................. 2:35 – 2:45 PM
David So, MD
- Arthroplasty ...................................................................................... 2:45 – 2:55 PM
James Learned, MD
- Cases ................................................................................................. 2:55 – 3:20 PM
James Learned, MD
- Q&A/Wrap-up ................................................................................ 3:20 – 3:30 PM
ADJOURN ........................................................................................... 3:30 PM
**On-Site Registration**

Time: 7:30 am-7:45 am  
Date: Friday, June 8, 2018  
Place: Hyatt Regency Huntington Beach Resort & Spa  
21500 Pacific Coast Highway  
Huntington Beach, CA 92647  

**General Information:**  
Pre-registration is preferred to ensure that registrants receive a syllabus and CME certificate for the symposium.

Parking: Valet parking only for $20.00/day.

Register via:  
**Mail:** Complete course registration form and send with payment to:  
UC Irvine - Department of Orthopaedic Surgery  
Attn: Amy Sanchez  
101 The City Drive  
Pavilion 3, 2nd Floor  
Orange, CA 92868  

**Fax:** Fax completed registration form to: 714.456.7547  

**Registration Fees (per person)**  
Friday June 8, 2018  
☐ Free - Physicians  
☐ Free – Allied Health (NP/OT/PA/PT/RN)  
☐ Free - Residents/Fellows/Military
